

DEPARTMENT OF CIVIL &
ENVIRONMENTAL ENGINEERING
Rowan Hall
201 Mullica Hill Road
Glassboro, NJ 08028

Rowan University is the third-fastest growing public research university in the US. Our **Civil Engineering** program offers students unique hands-on Engineering Clinic experiences to solve technical and research problems.

The Department of Civil Engineering of the Henry M. Rowan College of Engineering invites applicants for **tenure-track or tenured positions at the assistant, associate, or full professor levels**. Senior level candidates with exceptional achievements and demonstrated impact will have the opportunity to be considered for the Henry M. Rowan (HMR) College of Engineering Foundation Professorship. We house two major research centers: **CREATES** (Center for Research and Education in Advanced Transportation Engineering Systems) and the **Sustainable Facilities Center** and have a thriving research community with a growing graduate program.

We are seeking exceptional candidates in all core areas of **civil engineering**, such as **Structural, Environmental, Water Resources, Transportation, and Geotechnical engineering**.

Civil & Environmental Engineering: Open Rank Tenured/Tenure-Track Faculty Position

We seek outstanding individuals with a strong potential or proven record for excellence in research, and in promoting a culture that values diversity, equity, and inclusion. Candidates from diverse backgrounds are strongly encouraged to apply. Senior level candidates with exceptional achievements and demonstrated impact will be considered for the Henry M. Rowan College of Engineering Foundation Professorship.

Candidates must demonstrate excellent communication skills and a strong commitment to excellence in teaching, research, and student mentoring. The successful candidate is expected to develop and maintain a strongly-funded research program and collaborate, as needed, with multi-disciplinary groups of faculty and professionals, including personnel at the South Jersey Technology Park, other campus centers, and our medical colleges.

Review of applications will begin immediately and continue until the position is filled, with applications received by **December 20, 2022** given priority consideration, for a start date of September 1, 2023.
