Notes & Recommendations:

1. All physics classes are non-calculus based
2. Any introduction to engineering or engineering design related course can be used to meet engineering design requirement.
3. Three course sequence of circuits, electronics and digital systems (4-cr each) will transfer as a 4-course sequence (of 3 cr. each) at Rowan
4. Any additional technology related courses you may have as part of your AAS degree will transfer and count towards the Technology Focus Electives.
