Academic and Personal Success

Your academic success and personal wellbeing are of the utmost importance to us.

The University Wellness Center offers support and resources for your personal wellbeing.

Free Food Pantry

Rowan University Civil & Environmental Engineering

Mentor Energize Engage Transfer Students

Transfer students, change-of-major and CEE minor students in the Department of Civil and Environmental Engineering are offered the opportunity to become members of **MEETS!**

This group meets once a month to discuss issues impacting them. These meetings offer students social networking opportunities and a forum for discussing academic issues pertaining to their success. There is **FREE FOOD!**

CEE COURSES

Prerequisites

Grade Requirements (C– or better in many courses)

Offered typically only once per semester ; some in the summer

Many courses have laboratory components/Group Projects

TOP 10 TIPS FOR SUCCESS

1. Network - make friends
2. Attend classes
3. Take homework seriously
4. If necessary, seek help immediately
5. Meet with your advisor once a semester
6. Understand the workload is 48-64 hours per week
7. Read email frequently
8. Stay organized
9. Get involved with extra-curricular activities
- 10. Limit outside work to excel in your classes.**

CLINIC COURSES (8 semesters)

Multidisciplinary Teamwork Technical Writing & Public Speaking

STUDY ABROAD OPPORTUNITIES

CEE students take advantage of our study abroad opportunities. Students need to plan their study abroad semester as early as possible with Dr. Kauser Jahan.

SCHOLARSHIPS

Every year CEE students receive numerous competitive scholarships awarded through ASCE, CIAP, NJWEA, AWMA, DVEC, ASHE, NJAWWA, Lockheed-Martin, Philadelphia Foundation, MOLES etc. *Information is sent via email.*

EXTRA-CURRICULAR ACTIVITIES

There are many extra-curricular opportunities for our students. We have a number of professional student chapters that allow students to engage in community service home and abroad and fun activities.

ASCE-American Society of Civil Engineers

EWB– Engineers Without Borders

SWE– Society of Women Engineers
